IN & OUT

Organizer's Message

Within the framework of its social responsibility, Kinanis Law Firm organised its 2nd Photography Competition 2020 with the aim to promote and stimulate interest and creativity in photography among professional and amateur photographers.

The honored non-profitable, charitable institution chosen this year to which the net proceeds, along with the donations, the income from the sales of the commemorative book and the exhibited photographs, will be donated, is, «Παγκύπριος Σύνδεσμος Σπάνιων Γενετικών Παθήσεων Μοναδικά Χαμόγελα», <https://www.monadikaxamogela.org/>.

The theme of the competition was the notion of, “In & Out”. The competition is gaining international character and photographers from around the world, not only Cyprus, participated. We had thirty-three photographers and in total one hundred thirty-two photographs were submitted.

We would like to express our thanks to all the participants who took part in this innovative event and whose participation made it feasible. We would also like to express our gratitude to the committee of judges, to our sponsors and to the employees of our firm who, with all their efforts, took part and contributed to the success of this event.

We are looking forward to the future competitions to be organised hoping they will be recognised and established among the successful social events of our country.

Judging Committee's Message

We would like to congratulate all professional and amateur photographers who participated in the 2nd Photography Competition 2020 of Kinanis Law Firm. Winners or not the competition once again surpassed our expectations.

It was truly our honour to be chosen to be part of this competition and to actively aim in promoting photography and also supporting a non-profitable charitable institution simultaneously.

Taking into consideration the theme and terms of the competition we selected in a strict and confidential manner the winners, the honourable mentions and of course the short list of photos that will also be exhibited. All decisions were taken unanimously.

When the identity of the participants was revealed following the selection of the winners, we were delighted to discover that the competition was embraced by individuals of various ages and nationalities.

We express our thanks and gratitude to all participants for their efforts and hard work to once again make this competition unique and alive. This competition explores many means of creativity and collective thought within the theme, In & Out. Once again, we await with anticipation what the future competitions will bring and how they will continue to promote the spectacular medium of photography while being part of giving back to philanthropic organizations that are in need.

We look forward to meeting you all at the opening ceremony on the 27th of November 2020.
