FREEDOM

## Organizer's Message

Kinanis Law Firm proudly organised its 3rd Photography Competition 2021 with the aim to promote and stimulate interest and creativity in photography among professional and amateur photographers, as part of its corporate social responsibility.

The honoured non-profitable foundation chosen this year to which the net proceeds, along with the donations, the income from the sales of the commemorative book and the exhibited photographs, will be donated is “Christina A. Apostolou Foundation”, <https://www.facebook.com/ChrAFoundation>.

The theme of the competition was the notion of “Freedom”. It was with great pleasure to notice that the competition was extended abroad and twenty-nine photographers from around the world participated and in total one hundred twenty photographs were submitted.

We would like to express our thanks to all the participants who took part in the Competition and whose participation made it feasible. We would also like to express our gratitude to the committee of judges, to our sponsors and to the employees of our firm who, with all their efforts, took part and contributed to the success of this event. We also express our thanks to the Honorable Minister of Education, Culture, Sport and Youth, Mr. Prodromos Prodromou, who had the kindness to open the award ceremony and exhibition of the event.

We hope that this event will be recognised and established among the successful social events of our country.

## Judging Committee's Message

We would like to congratulate all professional and amateur photographers for their participation in the 3rd Photography Competition 2021 of Kinanis Law Firm under the theme “Freedom”.

It was truly our honour to be chosen to be part of this competition and to actively aim in promoting photography and also supporting a non-profitable charitable institution simultaneously.

Taking into consideration the theme and terms of the competition we selected in a strict and confidential manner the winners, the honourable mentions and the short list of photos that will also be exhibited and will be included in the commemorative catalogue. All decisions were taken unanimously.

We were also delighted to discover that the competition reached new destinations and was embraced by a variety of individuals and nationalities.

We express our gratitude to all participants for their efforts and hard work to once again make this competition unique and alive. This competition explores many means of creativity and collective thought within the theme Freedom.

Once again, we await with anticipation what the future competitions will bring and how they will continue to promote the spectacular medium of photography while being part of giving back to philanthropic organizations that are in need.
